# Golf Applicants & Sponsors

The MBCIA is celebrating their 27th Annual Scholarship Golf Tournament for the purpose of enriching the scholarship fund for the children and grandchildren of Building Officials that belong to the Association. To date we have awarded over \$240,000 since the start of the program. The continued success of the scholarship program is reliant on the success of this golf tournament. Your participation is vital to keep these programs continuing now and in the future. We hope that, whatever your participation may be, you have a fun-filled, enjoyable day.

Sincerely,  
Board of Directors MBCIA
